Mr. Sanders was unanimously approved as Secretary.

Jenny distributed a list of responses to the recent questionnaire which gauged members' interest in additional activities at CPDAO meetings.

There was discussion regarding the fact that many of the summer meetings have taken place north of Columbus and that makes it difficult for planners to attend based on cost and time.

Jenny will take to CCAO about how they determine locations.

The group discussed the possibilities to develop an actual listserve rather than posting questions to an e-mail distribution list. Jenny will check out Facebook and CCAO options. Scott will investigate Yahoo Groups.

Patrice mentioned that AICP certification for a CPDAO seminar might encourage/justify attendance.
